## ABOUT ME

---

Hello, I'm Bharat Sirmal, a passionate and dedicated B.Tech Computer Engineering student with a strong foundation in Programming language(c programming, c++, html, css, javascript, python, etc), problem-solving, and innovation. Throughout my academic journey, I have developed an interest in various fields such as coding, algorithms. I am always eager to expand my knowledge and take on new challenges that push me to think critically and creatively. In addition to my technical skills, I am a proactive learner, and a team player.
